					118	A520XSR-G 118L	MRS A520XSR-G	Standard rivet link, gold
							ARS A520XSR-G	Option split link, gold

XS Ring: The Afam XS-Ring is designed to improve sealing and internal lubrication of the chain, and thus dramatically improve the life span of your chain. Its particular shape gives it great flexibility, reducing friction and increasing agility, flexibility and performance of your chain.

MX-G Gold colored chain for 65-85cc

MX4-G Standard motocross chain with gold colored plates

GPR-G High quality light weight AFAM racing chain especially for 125cc racing bikes; gold colored

XRR2-G Enhanced quality chain with AFAM XS-ring

XSR-G Super enhanced quality chain with AFAM XS-ring. Additional hardening of the plates
